

Hit **X** to swing your sword.
The more hits an enemy takes,
the further it'll fly!

1/7

Hold a directional button,
then repeatedly hit **X** to perform a combo
- the third hit has extra range and power!

Double Tap in one
direction to start running.

2/7

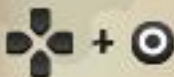

Hit  to unleash a powerful
attack at the end!

Hold down  to block and make yourself invulnerable for a short time

3/7

Move whilst blocking to perform a quick dodge!

Hit crates to send them flying
towards your enemies

Or use overturned bugs...

When the sword icon starts to glow,
hold down  to unleash hell in the
direction you're facing!

5/7

This shows your condition.
The more exposed your heart,
the further you'll fly when hit.
Stay on the island to survive!
